NO. 7

PROCEEDINGS OF BOARD OF TRUSTEES

The Board of Trustees met in regular session Thursday night. All members present at roll call.

The minutes of the last regular meeting and of the Adjourned Meeting, were read, and a correction ordered to be made as follows on Page 211. Minutes to read—"On motion of Trustee Muhleman, it was ordered that P. Rosenfeld, junk dealer, be cited to appear before the Board of Trustees at the Adjourned meeting of January 19th to show cause, if any exists, as to why his license should not be revoked. With this correction the minutes were approved.

A letter was read from the American Defense Society of New York, stating that as there is patriotic work to be done in this City, the Society would appreciate the sending to them of the name of some prominent woman who would be a willing and proper representative of the Society in Glendale; the communication further stating that the person named would be immediately invited to join the Woman's National Committee. The Chairman nominated Mrs. Ella W. Richardson for membership in this organization, and the Clerk was instructed to notify the Society and Mrs. Richardson of the appointment.

Reports were presented and read from the City Clerk and City Treasurer of the City of Tropico covering the first nine days of the month of January, and were also accompanied by a report from the Treasurer of

the City of Glendale acknowledging the settlement of the Tropico account—the amount turned over to him on account of the City of Tropico being \$4305.14 and for the Street Improvement account \$6042.03, making a total of \$10,347.14. Also in connection with these reports, the City Manager presented the Auditor's report on the accounts of the City of Tropico. On motion, the reports were referred to the Finance Committee to be taken up by that Committee in connection with a similar committee of the Tropico Board of Trustees.

The Tax Collector's report for the week ending January 17th, 1918, was read and ordered to be filed.

A communication addressed to the President of the Board from Mrs. Carroll W. Angler, was presented and read, inquiring as to the policy of the City of Glendale in regard to street paving. On motion, the communication was referred to the City Manager for a reply.

A communication was read from the City Manager recommending a supplementary budget for the last six months of the fiscal year ending June 30, 1918; the same being accompanied by a resolution proposed by him for adoption. On motion, "A Resolution of the Board of Trustees of the City of Glendale, adopting annual budget," was taken up for reading and upon being read was adopted.

The Chairman made a report on the meeting of the property holders interested in the improvement of Broadway held in the Council Chamber Saturday evening last; stating that it was the unanimous opinion as expressed by those present, that the improvement consist of Class 1 pavement extending from Glendale Ave-

(Continued on page 13.)

N. P. BANKS POST AND W. R. C. OFFICERS FOR ENSUING YEAR

At the last meeting of the N. P. Banks Post, held in the G. A. R. Hall, the following officers were installed for the twenty-third year of the Post and the twentieth year for the Woman's Relief Corps.

A banquet was served with covers laid of 200. President Louise Purnell of the Corps presided at the afternoon session and made a speech of acknowledgment of the honor conferred upon her, as did Commander Clark.

Post officers installed were: Commander, C. H. Clark; Senior Vice Commander, O. H. Jones; Junior Vice Commander, W. B. Pratt; Officer of the Day, R. M. Taylor; Officer of the Guard, J. B. Hickman; Surgeon, A. H. Guernsey; Chaplain, C. R. Norton; Quartermaster Sergeant, George W. Sanford; Patriotic Instructor, C. R. Norton; Color Bearer, Thomas Gillette.

Officers of the Woman's Relief Corps were: President, Mrs. Louise Purnell; Sr. Vice Pres't., Mary Milligan; Jr. Vice Pres't., Margaret Hibbert; Secretary, Mayme Pollock; Treasurer, Winona Crawford; Chaplain, Mrs. Burns; Patriotic Instructor, Mrs. Mary Borthick; Guard, Mrs. Dutton; Assistant Conductor, Jennie Phillips; Musician, Queen Danner; Press Correspondent, Mrs. J. L. Ripley; First Color Bearer, Edith Bruck; Second Color Bearer, Ada Atkinson; Third Color Bearer, Quintina Hammond; Fourth Color Bearer, Margaret Sanford.

Mrs. Louise Purnell was also re-elected trustee of the Corps.

Officers of the Post were installed by T. E. Kanouse of Los Angeles,

Advertising Rates Upon Request

A politician will advocate bonds for the purchase of a public lighting plant and burn an oil lamp in his own home.

A man will fight and scratch to pass an ordinance making it a misdemeanor to allow weeds to grow on a vacant lot and he isn't satisfied unless the penalty attached is severe. Then he will let the weeds grow eight feet high on his own front lawn.

THE EXPRESS SAYS 'SAME HERE'

In Wednesday's issue of the Los Angeles Express appears an article on the Editorial page, headed "Cut Local Expenditures" which tallies so nicely with our own editorial last week on "Hooverizing the Taxes", that we cannot resist quoting a part of it.

After stating the fact that "every patriotic American is anxious and willing to do all that is within his power to assist in the great conflict", the Express Editorial most truthfully and emphatically says:—

"But while straining every energy to win the war, while practicing private economies in order to meet the many demands of the government and of the agencies contributing to the success of our cause, the people will not tolerate additional demands placed upon them by local government. Instead of additional taxation they expect material reductions in city, county and school district tax rates. It is just as essential that there be economy and retrenchment in local public expenses as in private expenditures.

"It is absolutely necessary and essentially just that the board of supervisors, the city council and the school board should eliminate many of the unnecessary activities which, while desirable enough in normal times are not vital and can be dispensed with without harm to the public."

When a position is open in a municipality which doesn't pay more than \$100 a month it is necessary for the applicant to pass a civil service examination. Ability is desired, and if severe examinations indicate ability, and the examination is passed, then the applicant might or might not get the position. It appears that on top of a technical education considerable political pull is necessary. As a rule the poorest paid work is that which is performed by those who are educated. The man who strives for an education by spending long hours under candle light is naturally the one who submits to civil service examinations. In the professions the best read are the least used.

When it comes to higher offices the people do not expect the candidates to show their qualifications. The less the candidate knows about the science of government and political economy the greater are his chances for success at the polls. The voters resent learning. They do not want men who are actually qualified for the positions. The candidate who moves freight cars with a crow bar for his daily bread, or saws boards, or who drives spikes, and never thinks, will always win over the one who is really qualified. This because human nature is so peculiarly constructed that it will not tolerate brains. It will admire the man who acquires a profession but it will not patronize him. He must find his own place, which is often in a position that requires a civil service examination. He must not look for public favor in any other way. Not unless he can plead ignorance and take his place with the ignorant and sit with them gracefully. Which must be "tough".

Efficiency means trading nearest to home.

IN A NUTSHELL

According to Josephus the walnut tree was formerly common in Palestine and grew luxuriantly around the Sea of Tiberius.

The output of manganese ore in this country in 1916 amounted to 27,000 tons, which was three times the production in 1915.

A Kentucky man has written to a Connecticut mayor please to find him a stepmother, "not too fat," for his four daughters.

Vibration is almost entirely eliminated from a new reciprocating pump in which cams are used instead of cranks to drive the pistons.

Boston has tried successfully the experiment of having open-air moving pictures, which is an advance in conserving the public health.

Although England's meat importations are very heavy coming from Australia and North and South America, 60 per cent of the supply is grown at home.

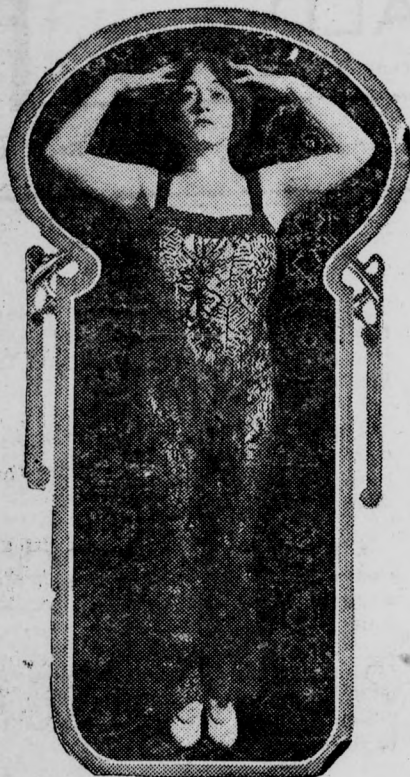

The production of fuel briquettes in the United States last year exceeded 295,000 tons and was the greatest on record, being an increase of 33 per cent from the year before.

The codfish has the reputation of being the goat of the sea. It will eat anything, and there are many records of it having performed some marvelous feats of swallowing.

Fedor F. Foss, mining expert on the Russian mission to the United States has requested that firms making labor-saving machinery for use in mineral industries send catalogues and descriptive literature to him.

All of the European armies have shoes without linings, and the new service shoe of the United States is made that way. It makes a better shoe, more sanitary, more comfortable and less likely to cause blisters.

AT THE PALACE GRAND NEXT WEEK

Gladys Brockwell

"For Liberty" is the title of a Fox Film to be shown at the Palace Grand Theatre Monday, January 21. It is a heart-stirring drama, in which Gladys Brockwell plays the leading part. The story deals with present day affairs, and opens in Washington just before the United States declared war. Also on the program for that night is "What is Happening in the World" a Pathe Current News Event.

Putting it off today
won't get it done
tomorrow. An

will bring business
tomorrow.

WAR SAVINGS IN A NUTSHELL

Q. What is the War-Savings Plan?

A. It is a plan by which you can lend small savings to your Government at 4 per cent interest, compounded quarterly.

Q. How may this be done?

A. By purchasing War-Savings Stamps and Thrift Stamps.

Q. What is a War-Savings Stamp?

A. It is a stamp for which the Government will pay you \$5 on January 1, 1923.

Q. What does it cost?

A. Between \$4.12 and \$4.23, depending upon the month in which purchased.

Q. What is a Thrift Stamp?

A. It is a stamp costing 25 cents, to be applied in payment for a War-Savings Stamp. It does not earn interest. The purpose of its issue is to enable people to accumulate in small sums the amount necessary to pay for a War-Savings Stamp.

Q. Where can I buy them?

A. At post offices, banks, and authorized agencies.

Q. Why should I buy them?

A. Every dollar loaned to the Government helps to save the lives of our men at the front and to win the war.

The food YOU waste to-day may mean HUNGER to Someone, Somewhere, Sometime. Be Saving!

GLENDALE MILLING CO., STARTS ANOTHER MANUFACTURING LINE

The Glendale Milling Co., who have built up an extensive and rapidly increasing business, the past few years in the manufacture and sale of the "Merit Screens", are now adding another line, which bids fair to eclipse everything else in the way of convenience and utility.

This will be known as the "Merit Window" and is a combination of window, window screens, and window shades, that needs but a casual inspection to convince that it will meet with a universal demand.

The window is to all appearances a regular window, yet raise the sash and the screen follows it up or in like manner the upper sash is lowered with the screen following it down. When not in use the screens are hidden from sight and weather, yet always in position to be used when needed, and the beauty of the affair is that the extra cost is so small, that it is more than compensated in convenience and in saving of screen expense in renewing the wire.

The window has other points, such as reversibility for cleaning purpose; and a shade attachment, but all should be seen to be fully appreciated.

The Glendale Milling Company have the sole manufacturing rights for the state and are making preparation to give the work the attention it deserves. Additional office room is now being built and special machinery installed.

We congratulate Mr. Mandis and his group of assistants and also the city of Glendale on this new line of activity which cannot fail to benefit all concerned.

HOT WATER BOTTLES

Our readers will notice the advertisement of Roberts and Echols, Reliable Druggists, which appears in this issue, but should they drop around to that popular establishment, the display of hot water bottles, in every style and variety would indeed make them sit up and take notice. From the attractive display in the show window, it extends on into the store on counters and walls a veritable "Hot Water Bottle Exhibit."

LAWRENCE DAVIS DIES

Sergeant Lawrence Davis, son of Mr. and Mrs. Alvin T. Davis, of Orange Grove Avenue, passed away of pneumonia, last Saturday, at Fort Myer, near Washington, D. C. Mr. Davis was a member of Company D, 30th Engineers, and has a host of friends in Tropico and Glendale. His body is being shipped back to Glendale, and will probably arrive tomorrow. Funeral arrangements have not as yet been arranged.

CARD OF THANKS

I wish to thank the many friends, in behalf of the son who lost so dear a Mother and could not be with her; for the kindness and attention bestowed upon Mrs. K. R. Sterling during her illness and death, and for the beautiful floral offering.

WAYNE V. FRANK.

**MISSION PLAY OPENS WITH NEW
PLAYERS IN CAST**

Inspiring in the extreme is the Mission Play, by John Steven McGroarty, which has opened its sixth season in its own playhouse, ideally situated in the shadow of the old mission at San Gabriel.

The story of the play is the recalling of the olden, golden days of California, covering periods from the landing of the first Spanish adventurers on the shores of San Diego Bay, through the years of the founding of the missions that extended along the King's Highway to Sonoma in the valley of the seven moons.

Daily incidents of the life around the missions is faithfully and colorfully portrayed, with native dances and songs adding to the impelling interest of the historical facts that have been incorporated in this remarkable pageant drama.

Norval MacGregor will this year be seen in the predominating role of Father Junipero Serra, founder of the missions, while Miss Rosamonde Joyzelle triumphs in the supporting character of Senora Josefa Yorba. Matinee performances commencing at 2:15 will be presented daily, including Sundays.

STATISTICAL NOTES

Ohio cow supply has dwindled 40 per cent in a few months.

United States grew 13,554,150 bushels of onions and 691,020 tons of cabbage in 1917.

A 31 per cent drop in building operations was reported in New York city, due to strikes and inability to obtain steel.

As a result of increases of wages steel rollers in the mills at Youngstown, O., are now earning as much as \$800 a month or at the rate of \$10,000 a year.

THINGS YOU SHOULD KNOW

Orange juice is a preventive of scurvy among children who use pasteurized milk.

Tomatoes filled with minced pineapple, celery and chopped nuts mixed with mayonnaise are delicious.

Pack glass and china in hay that is slightly damp. This will prevent the articles from slipping about.

Apples, cored and filled with chopped dates or figs, then baked, make an excellent breakfast dish.

Parsley and sweet herbs should be gathered on a sunshiny day when full grown if they are to be dried.

If white potatoes are inclined to turn black when being boiled, add a few drops of vinegar to the water they

CAMP LEWIS FLAG LARGEST IN AMERICA

Harry E. Francy formerly of Kenwood Street and now at the training camp at Camp Lewis, Washington has just sent home a description of the new American Flag just received at the Camp, the funds being raised by the merchants and friends of the soldier boys at Tacoma.

The flag is 60 by 90 feet, and weighs 257 pounds. The stripes are each 4 feet and 9 inches wide, and the 48 stars are each 2 feet and 7 inches from point to point. The bunting of which it is made is of special materials made to withstand all kinds of weather and was made in New York City. The blue field is 33 1/4 feet deep and over 43 feet across, and already timber cruisers are scouring the woods of eastern Washington for a pole to carry it. When the pole is found and put in place the largest flag that flies anywhere in the world will fly over Camp Lewis.

Harry Francy says that it is hard to imagine such a flag unless it can be seen and plans are being made for a big flag raising ceremony at an early date.

For Tropico people to get a little idea of the size of this flag it may be of interest to know that the flag pole recently erected on Brand Boulevard at Broadway is only 80 feet in height, or 10 feet less in height than the length of the flag alone for Camp Lewis.

A man first hears of a thing the day after the explosion took place. In some mysterious way women manage to find it out before the fuse is lighted.

Food will win the war—Don't waste it!

MEN KNIT AT PARTY

Mr. and Mrs. M. P. Harrison, of 245 S. Kenwood street, entertained forty-two members of the First Presbyterian Men's Bible class and a number of friends Monday evening. A class of men knitters was organized, and each man was required to "do his bit." While all of them "dropped a stitch" and only took one pearl when they should have had two, they were complimented by the hostess, who said they did very well considering their experience.

ON FOOD HANGS OUR FATE

By Rabbi Isidore Myers

On Food Hangs Our Fate, a patriotic acrostic by Rabbi Isidore Myers, has been sent to Food Administrator Hoover at Washington. The composition follows:

Fight
Objections,
Obey
Directions!

Let these rules be embraced
That you eat without waste:
Your food should be bought
With care and with thought.
Serve enough and no more,
And what's left hold in store.
Let the two days be porkless,
Let your beverage be sweetless.
Save sugar, save wheat,
Save fats and save meat.
The soldiers will need them,
It's our duty to feed them,
That the foes they may beat
And not suffer defeat.
The crisis is great;
On **FOOD** hangs our fate.

The "Knights" are live wires. If you don't want to miss something soon, keep your eyes on the "Herald".

LOCAL HAPPENNINGS

The Surgical Dressing's Class of the Local Red Cross Auxiliary held their first meeting this week. It will meet every Thursday evening and Monday afternoon at the City Hall, and will be in charge of Mrs. William Harvey, of Tropico avenue.

Chapter A. H. of the P. E. O. will hold an all-day meeting Friday, January 25, at the home of Mrs. William C. Mabry, on Acacia avenue. The hostesses for the day are Mrs. A. Stephenson, Mrs. John A. Logan and Mrs. John Hobbs.

Louis Lambermont, of 124 N. San Fernando boulevard, has accepted a position on the Glendale Fire department. He will assist Ed Fairfield on the Tropico fire truck, which is to remain in the Tropico City Hall. Mr. Lambermont will take up his new work next Monday.

Mr. and Mrs. W. S. Grauel, of Perlita avenue, are spending the week at Santa Monica.

Mrs. Daniel Riddle, of Salt Lake City, and Mrs. J. H. Hutchinson, of Los Angeles, were the guests of Mrs. M. M. Schout last Friday.

Miss Grace Pickard, of San Pedro, was the week-end guest of Miss Geneva Martin, of San Fernando Boulevard.

Miss Lillian M. Wood, of Eagle Rock, was the guest of Miss Adda Burch, Tuesday.

Mrs. Eustace B. Moore spent Tuesday in Pasadena as the guest of Mrs. William Abbott.

Miss Hazel Stickley spent Sunday with Miss Beatrice Gile, of Blanche Avenue.

Mr. and Mrs. Will Wintz, of Burbank, were the guests of Mr. and Mrs. T. Hammond, of Cypress Street, last Sunday.

The Thursday Afternoon Club met Thursday afternoon at the home of Mrs. W. H. Bullis, on Central Avenue. Mrs. Bessie Bartlett Frankel delivered a very interesting address on "Community Singing." Refreshments were served which consisted of Barley products, cakes, cereal, sandwiches and hot cakes, which was a decided success. The largest attendance of this club year was present. Mrs. Bullis was assisted by Mrs. E. V. Bacon.

The Ladies Aid of the Methodist Church had a regular spring cleaning of both the church and Social Hall last Thursday. Everything looks spic and span.

Residence, 518 Grace Court,
Glen. 1159-W. Tropico.

Don't forget to attend the next meeting of the Red Cross, which is to be held at the City Hall on Thursday, January 24. An interesting and instructive program has been provided for, and a large attendance is expected.

The Ladies Aid gave their monthly social in Social Hall, Tuesday evening. It proved to be a success and all enjoyed themselves immensely.

Mrs. Marple spent Monday at Long Beach, visiting with her daughter, Mrs. Fannie Retts. Mr. Retts is employed in the ship yard at San Pedro.

William Dransfield, of North Glendale Avenue, was at Loma Linda, Tuesday, visiting his daughter.

Mr. and Mrs. Ryan, of Atwater avenue, have returned from a trip to Riverside.

Mr. Urban Scofield is visiting his apartments on Glendale Avenue, after having been away for several months.

Bible Class No. 1 will meet Monday evening at the home of Mrs. L. L. Baker, on Brand Boulevard.

Mrs. Frank P. Miller and little daughter, Virginia, of Meadville, Pa., who have been the guests of Mrs. M. M. Schout, left Monday for Santa Monica.

Quite a number of inquiries have been made as to where the Tropico fire truck is, and if it is gone for good. The truck is at present in the Glendale fire house, and was taken there on account of the street repairs being done on Tropico avenue and a new cement driveway being put in at the Tropico fire house. It will be returned to the City Hall either to-morrow or Monday.

Dwight Stephenson and John Dunn, who have been stationed with the national draft army at Camp Lewis, have been transferred to Camp Kearney.

RESIDENTS OF TROPICO SCHOOL DISTRICT HOLD MEETING

An inprompt meeting of the residents of Tropico School District was held last Tuesday evening, and the question of consolidation of Glendale and Tropico School Districts was freely discussed.

Under the present School law, the consolidation of the municipalities of Tropico and Glendale does not carry with it the consolidation of the two school districts.

It was decided that the best interests of the Valley and the Districts, would be served by effecting the consolidation of these two School Districts; there would be especial advantages in attendance at the nearest school to those living near the boundary line, which cannot be readily accomplished under separate districts. Also it seemed advisable that the school boundaries should be the same as the municipal lines, making for unity and harmony in all public matters.

Therefore, to further this consolidation and make the procedure legal, it was decided to present petitions to the citizens of the Districts, for their signatures.

Better than money because they earn money; buy a WAR SAVINGS STAMP TO-DAY.

The W. C. T. U. of Tropico, Glendale and Eagle Rock, held a meeting at the home of Mrs. Charles Grist, of 131 S. Brand Boulevard.

Officers of the Methodist Sunday School for the ensuing year are: L. D. Hyer, Superintendent, Mr. Wayne Frank, Assistant Superintendent; Mrs. M. Phillips, Treasurer; Miss Edna Phillips, Chorister.

Reverend Rogers, of Alhambra, preached last Sunday morning at the Methodist Church.

The Woman's Home Missionary of the M. E. Church will meet at Mrs. Peasdale, Tuesday afternoon at two o'clock. Miss Adda Burch will speak on "Experiences in Porto Rico." A cordial invitation has been extended to all.

FOOD will win the war.

EVERY RED-BLOODED AMERICAN WILL BUY WAR-SAVINGS STAMPS

BECAUSE the money they bring will help to maintain on the battlefield some fine, upstanding American boy who is fighting for us and who needs all the help that we can give him.

BECAUSE they are the best investment in the world, secured by the wealth and honor of the United States, and earn the owner 4 per cent interest compounded quarterly.

BECAUSE they lead the way to thrift and tend to repress extravagance and release goods and services which the Government sorely requires to prosecute this war.

EAT MORE CHEESE

Cheese is one of the most useful foods we can buy. It contains in condensed form practically all the food value of milk, and is rich in protein, — that tissue-building, waste-repairing material which supplements the energy-producing starch of bread and potatoes. Americans have depended

MRS. KEJIAH REBECCA STERLING

At 8:20 p. m., Tuesday, January 15, death stole softly and unobserved by the silent watchers in the sick chamber of Mrs. Kejiah Rebecca Sterling, and bore her gently and tenderly away on the breezes of the night.

Mrs. Sterling was born August 7, 1845, in Harlensburg, Pa. She was married to Benjamine Franklin Sterling at Oil City, Pa., December 6, 1864. She had four children: Reynolds, who had a twin brother that died at birth, Vincent, and a daughter, Mary Clifton, who died shortly after her marriage. After the death of her husband in 1904, she came to California to make her home with her son, Reynolds, but their life together was short, as he died shortly after moving to Tropico.

When a resident of Los Angeles, Mrs. Sterling was a member of the First Methodist Church and of the Dorcas Society. After coming to Tropico she became a member of the Woman's Relief Corps and the Kennington Club, and was an active worker in the Ladies Aid Society of the Tropico Methodist Church. Since last May she has been confined to her bed, and has been cared for by Miss Aggie McKee, an old friend of the family. Just before Christmas she was taken to the Relax Home where she passed away on Tuesday night. Funeral services were held in the Chapel at Forest Lawn Cemetery, Thursday at 2:30 p. m., in charge of Jewel City Undertaking Co., Rev. B. C. Cory officiating. Dr. B. O. Lucas and Mrs. W. Crawford sang "Will There Be Any Stars In My Crown", which was Mrs. Sterling's favorite song. She is survived by a brother and sister in the east, and a son, Vincent, who is employed by the Siamese Government as a structural engineer in the Orient. Six G. A. R. men were honorary pall bearers. Interment was made in Forest Lawn Cemetery.

largely on meat for protein, and since we must limit our use of this food, we are fortunate in having such a good substitute in cheese.

VISITORS INVITED

Local Lodge of Elks Will Hold Reception

On Saturday, February 2nd, from noon till 10 o'clock at night, the new Elks Home will be thrown open to the general public of Glendale. A reception committee will meet the visitors and escort them through the entire building. The building which is the most complete in Glendale, will be a surprise to the visitors. Built for beauty and also for convenience it is wonderfully effective.

CHANGES AT THE PALACE GRAND

Workmen are busy remodeling the Palace Grand Theatre, but are so timing their activities that they do not interfere with the daily programs.

The main change being that a spacious balcony is being constructed, which will utilize the space above the office and store rooms. The change has become a necessity as at many of the recent big attractions, the present seating capacity failed to accommodate the many patrons.

Manager Jensen is to be congratulated on the success of his efforts to give us first class pictures, as well as a first class theatre. Without exception all of the big attractions of the Los Angeles theatres, are brought to the Palace Grand and almost always at a reduced price, hence our people save not only car-fare but in price of admission as well, and that they appreciate it, is now shown by this improvement.

EXAMINATION FOR HORTICULTURAL COMMISSIONER

The State Board of Horticulture will hold an examination for the purpose of qualifying candidates for the position of Horticultural Commissioner of Los Angeles County at the County Court House on February 14, 1918, is the word just received from the State Commission of Horticulture. This examination is open to anyone. In order to pass the examination the candidate must have a thorough knowledge of the insect and other animal pests, plant diseases, and noxious weeds of the State, and must be familiar with the horticultural laws and quarantine regulations and to supervise the eradication and control of the plant pests and diseases of the county, to protect the orchards of the county from the introduction of additional pests, also to enforce the Fresh Fruit Standardization Law of 1917. In other words, he is the plant health officer of the county. The term is for four years and the salary is not less than \$6.00 per day when actually engaged in the performance of his duties.

Full particulars regarding the examination can be obtained by applying to the State Board of Horticultural Examiners, 714 Forum Bldg, Sacramento.

DR. C. I. MILLS RESIGNS FROM GLENDALE CHURCH

Dr. C. Irving Mills, rector of St. Mark's Episcopal church for the last five years, has resigned on account of

ill health. The resignation will take effect as soon as arrangements are made to fill the position.

At the last meeting of the vestry the following officers were chosen for the ensuing year: Harry H. Parker, senior warden; Louis G. Scovern, junior warden; Stephen R. Marshall, secretary.

EPIGRYMES:

That thar white farmhouse
you kin see, jest peekin'
through the trees, is **HOME**
to me an' all my kids—our
castle, if ye please. An'
IN that home **ONE** happy bunch
will **FORM** a group, tonight,
the same as what we allus
does; perhaps, whilst there
is light, the lads 'll play
at soldierin', **OR**, with the
settin' sun, they'll make me
tell **ANOTHER** tale—a tale
o' Sixty-One. An' whilst them
boys **IS** hearin' o' **THE GREAT**
ol' Heroes, dead, the gals
will both be busy puttin'
baby Joe to bed. No matter
what they're doin' it's the
OBJECT OF 'em all to sorta
see the sun o' **LIFE**, an' make
their troubles small. An'
then, a-twinklin' in our sky
there glows the mother-star—
She's bin the light, 'most all
our lives, that's made us
what we are. So that's the sort
o' home I got—the sort Tim
Titcomb knew; But, God! I've
got to Fight, to keep, it!
Brother, wouldn't you?

Robert Russell.

"Home in one form or another is
the great object of life."

U. S. MARINES ON GUARD

GOODRICH RUBBER CO.
NEWS BUREAU

Guard duty in the Navy Yards is but one of the many duties required of the Marine. He serves aboard the battleship and in foreign stations. Now that the nation is at war, his olive-green suit is seen everywhere. The Marine Corps Recruiting Stations in Los Angeles, Bakersfield, San Diego and Phoenix are still accepting men for service. It is well to first write for a booklet concerning this branch of the military service before making a special trip to the recruiting office for examination.

PROCEEDINGS OF BOARD OF TRUSTEES

(Continued from Page 1.)

nue eastward to a point near Verdugo Road, said point to be determined by the City Engineer and from that point easterly to the limits of the City, to consist of Class 2 pavement. On motion "An Ordinance of the Board of Trustees of the City of Glendale changing and establishing the grade of a portion of Broadway in said City," was taken up for first and second readings and was laid over till the next regular meeting for the third and final reading.

Mr. F. E. Peters and Mr. Hartley Shaw were present and a number of matters were informally discussed relating to the City of Tropic, and particularly the question of the formation of voting precincts. On motion, the City Manager was instructed to confer with the County officials in regard to voting precincts in Glendale.

The matter of consolidating the School Districts was brought up by Mr. Shaw.

The City Attorney presented a written opinion, which was read, and which he supplemented orally, quoting authorities and decisions, and concluding with the opinion that the City has authority "to expend a reasonable amount for the purpose of defending the City Officials of the former City of Tropic in this action." Referring to case of Daisy Mason vs. City of Tropic.

An ordinance providing for Fire District No. 1A describing the boundaries thereof and regulating the construction, lateration, repair, removing and demolition of buildings, and the use thereof within said district was taken up for first and second readings and was laid over till the next regular meeting for the third and final reading.

The City Manager recommended that the City Engineer be authorized to prepare a map of one hundred feet to the inch. After some discussion, action in the matter was deferred for one week.

The City Manager reported in regard to the consolidation; that all departments are working satisfactorily.

The City Attorney reported that the legal firm of O. Melveny Stevens and Millikin would pass upon the legality of the fire bond issue for a fee of \$30.00. On motion, it was ordered that the services of this firm be secured and the Clerk was instructed to furnish copies of the papers in connection with the case.

The City Manager stated that the present arrangement for garbage disposal will expire on April 15th next, and recommended advertising for bids for this service. The City Clerk was instructed to so advertise; bids to be received up to February 14, 1918

On motion the City Engineer was instructed to prepare the necessary proceedings for the improvement of Broadway from Glendale Avenue to the east city limits.

The Manager of the Public Service Department stated that there is a balance of \$260.00 in Ornamental Street Lighting Fund No. 9, which should be transferred to the Public Service Fund, and on motion, it was ordered that this transfer be made.

On motion, the matter of bringing to the attention of Southern Pacific officials the advisability of changing the name of their depot from Tropic to Glendale; also for a change to be made on the cars of the Pacific Electric Company, was referred to the City Manager for action.

The City Attorney reported in the matter of opening and widening Eighth Street; the interlocutory judgment had been entered, and that the law requires the Engineer to deliver to the Street Superintendent, a diagram of the proposed improvement, and a list of all property in the district described in the Ordinance of Intention. On motion, the City Engineer was instructed to follow out the suggestions of the City Attorney in this matter.

The Chairman of the Board reported that a number of citizens have discussed with the trustees the matter of the enforcement of the traffic ordinance, and as this is a subject of vital importance to the city, he recommended that automobile dealers, garage men and other citizens interested in the matter, be invited to attend a joint meeting with the Board of Trustees, in order that ways and means may be discussed and cooperation be had for the proper enforce-

ment of said ordinance; in his opinion if the same is too strict, it should be modified, so as to meet the requirements of the City, as it is not desirable that the city receive any undue publicity or notoriety resulting from this cause. On motion, the City Manager was instructed to confer with parties in interest, and arrange for the meeting.
